CERTIFICATE OF ORIGIN INSTRUCTIONS

Annex 3–B: Minimum Data Requirements

A certification of origin that is the basis for a claim for preferential tariff treatment under this Agreement shall include the following elements:

1. Importer, Exporter or Producer Certification of Origin

Indicate whether the certifier is the exporter, producer or importer in accordance with Article 3.20 (Claims for Preferential Treatment).

2. Blanket Period

Include the period if the certification covers multiple shipments of identical goods for a specified period of up to 12 months as set out in Article 3.20.4 (Claims for Preferential Treatment).

2. Certifier

Provide the certifier's name, address (including country), telephone number and e-mail address.

3. Producer

Provide the producer's name, address (including country), e-mail address and telephone number, if different from the certifier or exporter or, if there are multiple producers, state "Various" or provide a list of producers. A person that wishes for this information to remain confidential may state "Available upon request by the importing authorities". The address of a producer shall be the place of production of the good in a CPTPP country.

4. Exporter

Provide the exporter's name, address (including country), e-mail address and telephone number if different from the certifier. This information is not required if the producer is completing the certification of origin and does not know the identity of the exporter. The address of the exporter shall be the place of export of the good in a TPP country.

5. Importer

Provide, if known, the importer's name, address, e-mail address and telephone number. The address of the importer shall be in a CPTPP country.

7. Description of the Good(s)

- (a) Provide a description of the good. The description should be sufficient to relate it to the good covered by the certification; and
- (b) If the certification of origin covers a single shipment of a good, indicate, if known, the invoice number related to the exportation.

8. HS Tariff Classification Number

Provide the HS tariff classification of the good to the 6-digit level.

9. Origin Criterion

Specify the rule of origin under which the good qualifies.

3.2 (a) wholly obtained or produced entirely in the territory of one or more of the Parties as established in Article 3.3 (Wholly Obtained or Produced Goods); **WO**

3.2 (b) produced entirely in the territory of one or more of the Parties, exclusively from originating materials; **PE**, or

3.2 (c) produced entirely in the territory of one or more of the Parties using non-originating materials provided the good satisfies all applicable requirements of Annex 3-D (Product-Specific Rules of Origin); **PSR**

10. Authorized Signature and Date

The certification must be signed and dated by the certifier.
